OFFICE OF THE SECRETARY TO THE PRESIDENT

New Delhi, the 5th October 1951

No. 45-Pres./51.—The President has been pleased to award the Police Medal for gallantry to the undermentioned officer of the Punjab Police:—

Name of the officer and rank.—Chanan Singh, Foot Constable No. 617, District Amritsar, Punjab.

Statement of services for which the decoration has been awarded.—Two soldiers Sardul Singh and Mohinder Singh, deserted from Kathua (Jammu State) along

with a 303 rifle and ammunition. They were joined by Sardul Singh's brother, Bachan Singh, an ex-Army man. Their declared intention was to kill some of their enemies in the village and, thereafter, to form a dacoit gang for committing dacoities. On the evening of 4th May, 1949, a small police party, consisting of 1 Assistant Sub-Inspector and 3 Foot Constables, while escorting two accused persons from village Mudala to Majitha, were suddenly fired upon by a party of three cyclists. The police party immediately took position and replied with their fire-arms. The culprits fled but were hotly pursued by the police party

and had to abandon their cycles and take shelter in the country-side under cover of darkness. The abandoned cycles were recovered as also a haversack which contained a Pay Book which showed that it belonged to Sardul Singh. Raids were then organised at the homes and haunts of the three men and a large scale search commenced. On the morning of the 6th May, one small search party contacted them and a running encounter ensued. An immediate message was also sent to headquarters for assistance from where the mounted police and the Armed Reserve, of which Foot Constable Chanan Singh was a member, rushed to the spot. Finally, the culprits were brought to bay in village Sainsra Khurd, Police Station Majitha. Being trained Army men, they took up an excellent offensive position consisting of a small semi-circular enclosure about a foot and half below ground level and bounded by a low mud parapet. Inside there was thick undergrowth which screened the culprits from sight completely. The enclosure was isolated from the village *abadi* with a few dismantled mud houses on one side. The ground on all sides being open, a straight attack could not be launched. The three culprits, having taken up this position, after a while became quite silent. Tear smoke was used but without effect. The complete silence and lack of response, made the Senior Superintendent of Police, who was conducting the operations, suspect that they may have escaped. There was no way of ascertaining this, except by approaching the *morcha* of the culprits which was a most hazardous undertaking. Foot Constable Chanan Singh No. 617 immediately volunteered to do so. Disguised as a villager and accompanied by an old woman, to strengthen the disguise, he approached the position of the culprits from the rear and was able to see one of them entrenched in the ditch. Having accomplished this 'scouting' job successfully, he returned and volunteered to go again armed with a rifle and take his chance of shooting the culprit whom he had seen. He could not spot the other two. Then he dressed up as a *Mazhabi* woman but hid a loaded rifle under his clothes and proceeded towards the entrenched position again. When he got to a favourable spot he took aim and shot dead the culprit whom he had seen previously and who was still in the same place. This brave action greatly demoralised the remaining two culprits. However, they still did not come out into the open for surrender. Meanwhile, more police re-inforcements arrived with Hand Grenades and a Bren Gun. Towards evening, a well planned advance was ordered and Hand Grenades were also used. The culprits, seeing the advance opened fire and, in doing so, exposed themselves. One of them was shot dead with a Bren Gun burst and the other then surrendered.

Foot Constable Chanan Singh displayed outstanding courage and devotion to duty.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 3.

SHAVAX A. LAL, Secy. to the President.

MINISTRY OF TRANSPORT

RESOLUTION

PORTS

New Delhi, the 4th October 1951

No. 13-PI(86)/51.—The Government of India have received the Administration Report of the Port of Madras for the year 1950-51. The following are the noteworthy features of the Report:—

(1) *Financial results.*—The revenue receipts of the Port Trust for the year under review were Rs. 120.94 lakhs, as against Rs. 118.81 lakhs in the previous year or an increase of Rs. 2.13 lakhs.

The net expenditure for the year excluding the amount held under “suspense” and the amounts paid as contributions to the various funds aggregating Rs. 37.44 lakhs, amounted to Rs. 76.14 lakhs as against Rs. 77.65 lakhs in the previous year.

The actual working expenses during the year thus amounted to 58.60 per cent. of the income compared with 60.92 per cent. in the previous year.

The balance in the various reserve funds of the Port Trust at the end of the year were within the maximum limits fixed by Government and were satisfactory.

(2) *Traffic.*—The total tonnage of imports and exports which passed through the Port during the year was imports 1,925,152 and exports 248,976 as against 1,592,249 and 191,321 respectively in the previous year. There was thus a substantial increase in the total trade passing through the Port during the year which was the highest since 1945-46.

The tonnage of foodgrains imported through the Port during the year was 478,981 as against 252,875 of the previous year and is the highest reached so far.

The tonnage of coal imported by sea during the year was 409,719 compared with 482,241 in the previous year. The tonnage of coal imported by rail was 989 only as against 3,662 of the previous year.

The increase in exports was mainly due to larger export of groundnut oil viz. 38,917 tons compared to 29,158 tons during 1949-50.

(3) *Value of trade.*—The value of the total trade of the Port during the year was of the order of Rs. 14,572.15 lakhs or an increase of about Rs. 989.22 lakhs compared with the previous year. These figures are exclusive of imports of foodgrains by Government.

(4) *Shipping.*—The number of vessels that entered the harbour during the year was 1,048 against 1,014 in the previous year but the total tonnage decreased slightly from 3,763,344 to 3,734,341. The average tonnage of each vessel decreased from 384,844 to 374,594.

(3) *Capital Works.*—Important works sanctioned or completed during the year were:—

(a) Extension of the sand screen for retarding drift of sand at the Port. ...	Rs. 16,00,000
(b) Construction of two warehouses. ...	Rs. 16.60,000
(c) Construction of a new Industrial canteen ...	Rs. 99,000
(d) Construction of an additional groundnut oil storage tank. ...	Rs. 31,500
(e) Facilities for fumigating American cotton ...	Rs. 5,600

(6) *Police and Medical.*—Although the number of thefts decreased during the year, petty thieving continued unabated. This requires attention.

(7) *Management.*—The number of meetings held by the Port Trust Board during the year was 26.

Mr. G. P. Alexander, the Chairman and Port Engineer, was on leave on average pay for a period of 3½ months during the year and, in his absence, Shri M. S. Venkataraman, Traffic Manager, acted as the Chairman and Shri S. Nagabhushanam, Executive Engineer, acted as the Port Engineer.

(8) *Acknowledgments.*—The Port Trust Board performed another year of useful work and Government view with appreciation the achievement of the Board during the year under review.

S. CHAKRAVARTI, Jt. Secy.
